FADE IN:

INT.LIVING ROOM - NIGHT

A simple, and modern living room. The clock shows 5 pm. A table for two with the candles was already set. The dapper tomboy TUNA (27) puts lilies on the table. The door bell rings. Tuna takes a look at the mirror. She corrects her bangs, takes a deep breathe, and opens the door.

TUNA
(nervous voice)
Hi.

MELIS
(smiles)
Hi.

MELIS (25) in the black dress gets in. She hands the lilies, and a box to Tuna.

MELIS
Here's the dessert.

TUNA
That's so nice of you!

Tuna shows the table. After eating, they dance, and sit to talk.

After a short chat, Melis looks at the clock. It shows 8 pm. Melis stands up.

MELIS
Thank you for everything.

TUNA
Would not you like to stay?

MELIS
It's better, if I go...

Melis sprints to the door.

TUNA
Wait!

Tuna grabs the bouquet, and tries to catch up with the girl.

TUNA
You forgot the lilies.

Melis turns back, and bumps with Tuna. Melis's bag falls down, and the transdermal estrogen patch come out of it.

TUNA
Oh, I'm horribly sorry!

Both of the girls lean to take the bag, but Tuna gets it first. She notices the patch. Melis freezes in horror.

TUNA
(quietly)
Is it?...

Melis's eyes tear up.

MELIS
(shaky voice)
I can explain.

TUNA
(determined)
No need to explain.

MELIS
Please, listen!

TUNA
So, you still don't want to stay?

MELIS
(shrugs)
Huh?

Tuna holds the girl from the shoulders.

TUNA
Listen, it doesn't matter... But,
was not I able to gain your trust?

MELIS
That's not it! I was afraid... to
lose you...

TUNA
(smiles)
Am I that precious to you?

Melis holds Tuna's hands.

MELIS
Yes, you are.

They hug. The girls go back to the living room. Tuna puts a romantic music. The couple begins to dance.

TUNA

I love you.

MELIS

(wraps her hands around the
girl's shoulders)

I love you, too.

FADE OUT.
